

THE BRIDGE JOINS TOGETHER TWO BUILDINGS WITH AN INTERTWINED HISTORY AND GREAT IMPORTANCE IN THE LOCAL AREA.

The rear building, known as Granny Cooper's cottage, was constructed in 1862. At the front, Sutton's Corner Store was built by Granny Cooper's daughter and began trading in late 1929.

Granny Cooper had established the area's first form of schooling, educating local children in her cottage from the late 1860s. Her daughter, Violet Sutton lived and worked on Sutton's farm with her husband George Sutton. After his death in 1928 and her mother's death in 1929, Violet was no longer able to maintain the farm and look after her seven children, so she moved back to her mother's cottage, borrowed some money off her cousin, Charlie Wearne, constructed the front building and created Sutton's Corner Store.

It was the second oldest business house in Mandurah, with a central role in the social and commercial life of the area. In 1974 new owners transformed the buildings into a licensed cafe known as the Crab & Anchor. In 1994 it was purchased by the Brown family and it became Cafe Pronto run as a restaurant and tavern.

Taken over in 2018, The Bridge Garden Bar is now Mandurah's friendly local Tavern, perfect for friends, families and colleagues, creating a modern stamp on the history of a venue where people have gathered and built community for generations. Specialising in Street Food, sharing and pub meals with popular beers on tap, boutique wines and premium cocktails.
