

About Us

The Bridge Garden Bar is made from two pre existing buildings with an intertwined history and great importance to the local area. The rear building, known as Granny Cooper's cottage, was constructed in 1862. At the front, Sutton's Corner Store was built by Granny Cooper's daughter and began trading in late 1929. Taken over in 2018, The Bridge Garden Bar is now Mandurah's friendly local Tavern, perfect for friends, families and colleagues, creating a modern stamp on the history of a venue where people have gathered and built community for generations. Specializing in Street Food, sharing and pub classics with popular beers on tap, boutique wines and premium cocktails. Between the pre-existing buildings and our huge garden bar we are certain we have the perfect space for every function no matter how big or small.
