

THE BRIDGE

GARDEN BAR

Two heritage listed buildings, intertwined with local history.

Originally built in 1862 as Granny Cooper’s cottage, the site later became Sutton’s Corner Store in 1929 — one of Mandurah’s oldest businesses and an important part of the local community. Over the years it evolved from a corner store into popular hospitality venues including the Crab & Anchor and Cafe Pronto, before becoming The Bridge Garden Bar in 2018 under the Hutchen family. Today, it blends modern dining with the charm and history of a venue that has served generations of locals.
